PROFILE

Motivated Software Engineer with solid knowledge of **Java, C, and basic knowledge of Python**, along with hands-on experience in **HTML, CSS, and MySQL**. Skilled in using **Visual Studio Code** for efficient development and debugging. Demonstrates strong **problem-solving, analytical thinking, and adaptability, enabling quick learning and effective solutions**. Committed to building reliable, scalable applications while continuously improving technical and professional skills.

EDUCATION

B.Tech (Computer Science and Engineering)

Narsimha Reddy Engineering College

CGPA: 8.93

2023 – Present

Hyderabad

Intermediate

Kshatriya Junior College

CGPA: 9.63

2021 – 2023

Armoor

SKILLS

Technical Skills:

Programming Languages: Java, C, Python (Basics)

Web Development: HTML, CSS

Database: MySQL

Operating Systems: Windows

Tools: Visual Studio Code

Personality Traits:

Problem-solving

Analytical Thinking

Adaptability

PROFESSIONAL EXPERIENCE

Software Developer Intern

Elevate Labs

08/2025 – 09/2025

- Built responsive web applications using HTML, CSS, and JavaScript, improving UI performance by 30% and enhancing user experience.
- Applied web development fundamentals, responsive design, debugging, version control, and deployment practices, improving development efficiency by 40%.

PROJECTS

Online Code Editor with Live Preview (Frontend)

08/2025 – 09/2025

Role: Frontend Developer

Tools: HTML, CSS, JavaScript, Visual Studio Code

- Designed a browser-based real-time coding environment allowing beginners to practice coding without installation, increasing accessibility by 45% and reducing setup time.
- Implemented live code editing with instant preview functionality, eliminating refresh delays by 95% and improving user productivity and engagement.

CERTIFICATES

- Certified in Programming in Java – NPTEL Online Certification (Jan – Apr 2025)
- Secured certification as Elite+ Gold in AXIOM 2026 Aptitude Assessment, ranking among top performers in analytical and problem-solving skills (Feb 2026)
- Gained certification in the Infosys AI Internship Program, gaining hands-on experience in text processing, machine learning concepts, and real-world applications, Oct 6 – Dec 10, 2025.
